## Regulatory Compliance Statement For Directive 2011/65/EU (RoHS)

Metglas<sup>®</sup> Inc. hereby declares, that the following items listed in Directive 2011/65/EU are not intentionally added to any Metglas<sup>®</sup> products, including all magnetic, braze and solder alloy foils:

- Lead
- Mercury
- Cadmium
- Hexavalent chromium
- Polybrominated Biphenyls (PBB)
- Polybrominated Diphenyl Ethers (PBDE),

To the best of our knowledge, our raw material suppliers also do not intentionally add these elements to the products we purchase. A sampling of our finished foil by an A2LA / NADCAP certified laboratory shows that all metallic elements listed above were found to be less than ten parts per million ( < 10 ppm ).

This statement is based on knowledge as of the date of issue. Metglas<sup>®</sup> Inc. makes no warranties, express or implied, and assumes no liability in connection with use of this information outside of Metglas<sup>®</sup> Inc.'s control.
